RFB#16-0355
HOUSEHOLD HAZARDOUS WASTE RECYCLING AND/OR DISPOSAL SERVICES
Addendum #1; JUNE 2, 2016
Answers to Bidder Questions

NOTE: Bids must be sent in a sealed envelope to:

New Hanover County Environmental Management
Attention: Kim Roane, Business Officer
3002 Highway 421 North
Wilmington, NC 28401

Emailed Bids will not be accepted.

1) Provide current or most recent contract disposal pricing for the services outlined in this RFB.
   Answer: please see attached document with current contract pricing.

2) What are the weekly hours of operation for the collection site location?
   Answer: M-F 10:00 a.m. – 2:00 p.m. and Saturday 8:00 a.m. – noon.

3) How many county employees work at the facility on a regular basis?
   Answer: 2 full time; we will be adding 1 part-time employee in July, 2016 for mobile collections.

4) What is the drum equivalent storage capacity of the collection site location?
   Answer: 20 drums.

5) Is the collection site facility able to accommodate a full size tractor trailer for the scheduled bimonthly pickups?
   Answer: Yes.

6) Is there a truck height loading platform available for our use during each bimonthly pickup?
   Answer: No.

7) Is there a forklift available for our use at the collection facility?
   Answer: Yes.

8) How many containers are typically shipped per scheduled pickup?
   Answer: from 9-16 drums, with an average of 12 drums.

9) What is the typical weight of all the material shipped per scheduled pickup?
   Answer: The weight varies significantly.

10) Is liquid material bulked up by county staff at the collection facility? Oil, Antifreeze and flammable solvents?
    Answer: Yes to all.

11) Are liquids typically bulked up at satellite HHW collection events?
    Answer: We do not currently have satellite collection events. Pick-ups will all be at our main facility located at 3002 Highway 421 N., Wilmington, NC.

12) How many satellite HHW events were scheduled and performed during the most recent 12 month period?
    Answer: N/A

13) What is the typical length of time for the satellite events per day?
Answer: N/A

14) Are the satellite events held on a Saturday, or during the week? How about the NC Dept of Ag pesticide collections?
Answer: N/A

15) How many labor personnel did your vendor bring to the 3 most recent HHW satellite pickup events?
Answer: N/A

16) How many vehicles have been processed during your 3 most recent scheduled HHW satellite events?
Answer: N/A

17) Please provide manifest copies of all the material shipped from your 3 most recent HHW satellite events and your most recent 4 bimonthly shipments?
Answer: N/A – no satellite events. The documents for the most recent 4 shipments are attached.

18) Please provide copies of the 4 most recent disposal invoices for all services outlined in this RFB.
Answer: documents are attached.

19) Will the county provide a forklift for our use at the facility and during any of the satellite HHW events?
Answer: N/A

20) Will the county provide a roll off or some type of receptacle to place the trash generated during any of the satellite HHW events?
Answer: N/A

21) How many county staff/volunteers will you have on site during the satellite HHW events and what will their roles be?
Answer: N/A – no satellite events. We will, however, have mobile HHW collection sites, with one employee collecting material from the public, segregating the material and properly transporting the material to our main facility.

22) Are the pesticides mentioned from the NC Dept of Ag considered a separate event, or is the material collected during normal business hours and/or a typical HHW satellite collection event?
Answer: Material is collected during normal business hours.

23) If they are separate; how many Dept of Ag collection events do you plan to schedule during this contract?
Answer: N/A

24) How much material is collected per planned event?
Answer: N/A

25) On page 3 of the RFB, on the material chart that is provided, is it advised that our firm submit a price *only for* the items that we have currently been handling for your location, or should we submit a price for everything outlined on this list, noting an N/A or something similar for anything that we could not accommodate?
Answer: Please submit a price for everything outlined on the list, as well as all that is included in the current contract pricing sheet attached to this document.

Reminder: The deadline for receipt of bids is 12:00 noon, Thursday, June 9, 2016. Bids shall be sent in a sealed envelope clearly marked on the outside of the envelope "RFB 16-0355 HHW Recycling & Disposal Services." No emailed bids will be accepted.

Current Contract pricing

ECOFLO Product Code	Description	Method of Disposal/Recycling	Unit Size	Unit Price	qty	Extension	Other contractor
5045	Aerosols (fuels)	Fuels Blending - Liquid Recycling - Can	55 gal drum	$125.00		$0.00
