

**NEW HANOVER COUNTY  
SOLID WASTE ADVISORY BOARD**

**Number of Members:** 5 citizens at large

**Term:** Ad hoc study committee to provide recommendation by December 15, 2008

**Purpose:** The New Hanover County Board of Commissioners established a Solid Waste Advisory Board on August 4, 2008, with the following parameters:

- 1) To review all relevant information and to present recommendations on the future management of solid waste for the County to the Board of Commissioners on or before the December 15, 2008 Board meeting.
- 2) To examine all such information and recommendations within the context of environmental and economic consequences.
- 3) Members or their spouses shall not be an employee of the Environmental Management Department of the County nor have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used in connection with the management of solid waste in New Hanover County.
