**Welcome and Introductions:**

The meeting, held at the Cape Fear Museum, was called to order at 1200 hours by Herb Strickler. The meeting was hosted by GE/GNF. The July and August minutes will be reviewed at the October meeting. There will not be a formal LEPC meeting for September, as the group will be attending the CAP meeting on September 14<sup>th</sup> at 5:30 at UNCW, Cameron Auditorium.

**Membership Announcements:**

Stan Harts gave an update on the Commodity Flow Study. The placard survey has been completed and the entire study should be compiled into a report within the next three weeks. They monitored 6 sites on the outer-county from 5am to 9pm to complete the placard survey. The six sites were: US 421, US 117, I-40, US 17, US 17/7476, and Shipyard Blvd. Stan shared handouts with preliminary results.

Suggestions were made for 2005 meeting topics.

- Stan Harts- 112R Facilities
- Mike Alexander- sampling, permits, presentation on Reg Action software package
- Bill Murell- talk on Spill Clean-up
- Herb Strickler- hurricane talk in May or June
- FEMA presentation
- Tour of new 911 Center/EOC
- Ron Jordan- Incident Review- Tanker in Bladen County
- Roger Dale- Kinston Explosion
- DENR- Hazardous Waste

- Site Tours
- SPCC- environmental and facility inspection
- New DOT Regulations

Wayne Pearce informed everyone that the SMAT II & SMAT III Trailers would be at Legion Stadium for a training session on August 19<sup>th</sup> and 26<sup>th</sup>. This would be a great time to go and look at the equipment.

The group discussed updating the subcommittees on the website. We only have three now and Kristen will update the website. Some members automatically fall into one of the three. Those who do not automatically fall into a subcommittee will be asked to choose one.

**New Business:**

Brad Newland gave a wonderful presentation on Air Quality Regulations.
