

## **International Travel Clinic**

New Hanover County Health Department now has an International Travel Clinic. The International Travel Clinic provides up-to-date information on required vaccines, outbreaks of disease, and social issues regarding countries identified in your travel itinerary. A nurse will review the information with you and recommend vaccines and/or medications for your trip.

There is a charge of \$35.00 for each person for the first visit to the International Travel Clinic and charges for private stock vaccines/medications provided. See Flat Fee Services for vaccine/medication charges.

An appointment is needed to receive services in the International Travel Clinic. Please call (910) 798-6500 and follow the menu prompts schedule your appointment.
