**DISCLAIMER:** I hereby certify that all information in this application is correct and all work will comply with the State Building Code and all other applicable State and local laws and ordinances and regulations..

\*\*\*For projects in unincorporated New Hanover County, Zoning Ordinance 107-1 prohibits occupancy of a new building or part thereof until a Certificate of Occupancy has been issued. If this building is occupied prior to the issuance of a Certificate of Occupancy, the owner will be subject without further notice to the penalties set forth in the Zoning Ordinance sections 132 and 135, including but not limited to civil penalties assessed at the rate of \$100 for the first day, \$300 for the second day, and \$500 for each subsequent day that the violation persists. Projects located in other zoning jurisdictions within the county may be subject without further notice to similar penalties for violation, in addition to the penalties otherwise authorized by law. I am aware that the North Carolina General Statutes 153A-363 states that occupancy of a building without a "Certificate of Occupancy" constitutes a misdemeanor.
