SEABREEZE ... A HERITAGE RENEWED

New Hanover County Planning Staff will present an evaluation of the 1988 ***Seabreeze ... A Heritage Renewed*** Community Plan. Staff will highlight major elements of the plan and present information on implementation efforts and changes that have occurred in the community since the Plan was adopted. Input from residents and property owners regarding what they would like to see for the future of Seabreeze will help guide the department's future planning efforts.

For more information, please contact the New Hanover County Planning Department at 798-7165. The 1988 Seabreeze Plan is available for review on the department's web page at www.nhcgov.com
