Re: Free Rabies Clinic

(New Hanover County)—New Hanover County Animal Control Services (ACS) will host its last free rabies vaccination clinic of 2009 on Saturday, November 14, from 1-3 PM. The no cost clinic will be held at the Hemenway Center, located at the intersection of Rankin, Red Cross, and McRae Streets.

There will not be another clinic until March 2009. Pet owners are required to bring prior proof of vaccination, e.g. rabies certificate, veterinary or ACS renewal card, to ensure their pet receives a three year vaccination. (The rabies tag alone is insufficient proof.) Dogs, cats, and ferrets four months of age and older will be vaccinated.
