Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

Independent Auditor's Report

To the Board of Commissioners
New Hanover County
Wilmington, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of New Hanover County as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise New Hanover County's basic financial statements, and have issued our report thereon dated October 31, 2013. Our report includes reference to other auditors who audited the financial statements of the New Hanover County Regional Medical Center and the New Hanover County Airport Authority, as described in our report on the New Hanover County's financial statements. This report does not include the results of the other auditor's testing of internal control over financial reporting or compliance and other matters that are reported separately by those auditors. The financial statements of New Hanover County ABC Board and New Hanover County Tourism and Development Authority (discretely presented component units) and Airlie Gardens Foundation, Inc., a blended component unit, were not audited in accordance with *Governmental Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered New Hanover County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hanover County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and; therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings, Responses, and Questioned Costs that we consider to be significant deficiencies as described in 2013-001 and 2013-002.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether New Hanover County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and; accordingly, we do not express such an opinion. The results of our tests disclosed instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings, Responses, and Questioned Costs as items 2013-001 and 2013-003.

New Hanover County's Responses to Findings

The New Hanover County's responses to the findings identified in our audit are described in the accompanying Schedule of Findings, Responses, and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and; accordingly, we express no opinion on them.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report On Compliance For Each Major Federal Program; Report On Internal Control Over Compliance; And Report On The Schedule of Expenditures Of Federal and State Awards Required By OMB Circular A-133; And The State Single Audit Implementation Act

Independent Auditor's Report

To the Board of Commissioners
New Hanover County
Wilmington, North Carolina

Report On Compliance for Each Major Federal Program

We have audited New Hanover County's compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* and the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission, that could have a direct and material effect on each of New Hanover County's major federal programs for the year ended June 30, 2013. New Hanover County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings, Responses, and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of New Hanover County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and the State Single Audit Implementation Act. Those standards, OMB Circular A-133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about New Hanover County's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of New Hanover County's compliance.

Opinion On Each Major Federal Program

In our opinion, New Hanover County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Other Matters

The results of our auditing procedures disclosed an instance of non-compliance, which is required to be reported in accordance with OMB Circular A-133 and State Single Audit Implementation Act, and which is described in the accompanying Schedule of Findings, Responses, and Questioned Costs as item 2013-003. Our opinion on each major federal program is not modified with respect to this matter.

New Hanover County's response to the non-compliance finding identified in our audit is described in the accompanying Schedule of Findings, Responses, and Questioned Costs. New Hanover County's response was not subjected to the auditing procedures applied in the audit of compliance and; accordingly, we express no opinion on the response.

Report On Internal Control Over Compliance

Management of New Hanover County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Hanover County's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material non-compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and; therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying Schedule of Findings, Responses, and Questioned Costs as item 2013-003 that we consider to be a significant deficiency.

New Hanover County's response to the internal control over compliance findings identified in our audit is described in the accompanying Schedule of Findings, Responses, and Questioned Costs. New Hanover County's response was not subjected to the auditing procedures applied in the audit of compliance and; accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report On Schedule of Expenditures of Federal and State Awards Required By OMB Circular A-133 and the State Single Audit Implementation Act

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of New Hanover County, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise New Hanover County's basic financial statements. We issued our report thereon dated October 31, 2013, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise New Hanover County's basic financial statements. The accompanying Schedule of Expenditures of Federal and State Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the State Single Audit Implementation Act and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and, certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal and State Awards is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Report On Compliance For Each Major State Program; Report On Internal Control Over Compliance; And Report On The Schedule of Expenditures Of Federal and State Awards Required By OMB Circular A-133; And The State Single Audit Implementation Act

Independent Auditor's Report

To the Board of Commissioners
New Hanover County
Wilmington, North Carolina

Report On Compliance for Each Major State Program

We have audited New Hanover County, North Carolina, compliance with the types of compliance requirements described in the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission, that could have a direct and material effect on each of New Hanover County's major State programs for the year ended June 30, 2013. New Hanover County's major State programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings, Responses, and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of New Hanover County's major State programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Controller General of the United States, and applicable sections of OMB Circular A 133, *Audits of States, Local Governments, and Non-Profit Organizations*, as described in the *Audit Manual for Governmental Auditors in North Carolina*, and the State Single Audit Implementation Act. Those standards, OMB Circular A 133, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major State program occurred. An audit includes examining, on a test basis, evidence about New Hanover County's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major State program. However, our audit does not provide a legal determination of New Hanover County's compliance.

Opinion On Each Major State Program

In our opinion, New Hanover County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major State programs for the year ended June 30, 2013.

Other Matters

The results of our auditing procedures disclosed an instance of non-compliance, which is required to be reported in accordance with applicable sections of OMB Circular A-133 and State Single Audit Implementation Act, and which is described in the accompanying Schedule of Findings, Responses, and Questioned Costs as item 2013-003. Our opinion on each major State program is not modified with respect to this matter.

New Hanover County's response to the non-compliance finding identified in our audit is described in the accompanying Schedule of Findings, Responses, and Questioned Costs. New Hanover County's response was not subjected to the auditing procedures applied in the audit of compliance and; accordingly, we express no opinion on the response.

Report On Internal Control Over Compliance

Management of New Hanover County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Hanover County's internal control over compliance with the types of requirements that could have a direct and material effect on a major State program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major State program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a State program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material non-compliance with a type of compliance requirement of a State program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a State program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and; therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying Schedule of Findings, Responses, and Questioned Costs as item 2013-003 that we consider to be a significant deficiency.

New Hanover County's response to the internal control over compliance findings identified in our audit is described in the accompanying Schedule of Findings, Responses, and Questioned Costs. New Hanover County's response was not subjected to the auditing procedures applied in the audit of compliance and; accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report On Schedule of Expenditures of Federal and State Awards Required By OMB Circular A-133 and the State Single Audit Implementation Act

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of New Hanover County, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise New Hanover County's basic financial statements. We issued our report thereon dated October 31, 2013, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise New Hanover County's basic financial statements. The accompanying Schedule of Expenditures of Federal and State Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the State Single Audit Implementation Act and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and, certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal and State Awards is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Public School Building Capital Fund-Lottery

NEW HANOVER COUNTY, NORTH CAROLINA

SCHEDULE OF FINDINGS, RESPONSES, AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2013

2. Findings Related to the Audit of the Basic Financial Statements

2013-001

Finding: Social Services Trust Fund Findings and Violations

Criteria: Management should have a system in place to reduce the likelihood of errors in financial reporting and to ensure compliance with the General Statutes and other Administrative Codes (DSS and SSA).

Condition: A few trustee accounts had negative amounts during the year.

Context: While documenting the system of internal controls related to the DSS trust funds, via inquiry and examination of client detail, we noted the conditions detailed above.

Effect: Trust funds held by the County may be expended improperly, in violation of NC General Statutes and the DSS trust agreement. Potential violations may not be detected in a timely manner.

Cause: Inadequate internal controls over DSS trust funds

Questioned Costs: \$387

Recommendation: The Finance Officer of the County should review the Trust Fund detail on a regular basis to ensure that proper accounting for trust funds is occurring. Care should be taken to ensure trust fund accounts do not go negative.

Contact Person: LaVaughn Nesmith

Corrective Action Plan/Management Response: Management agrees with the finding. Steps are being taken to ensure that the County's Department of Social Services trust fund accounts do not have a negative balance. The testing performed found three accounts having a negative balance. Two of the accounts had a negative balance due to the processing of payments simultaneously which caused an available balance to show prior to both payments being made. Staff has been directed to process the different types of payments on different days to avoid this from reoccurring. The third account had a negative balance due to an incorrect account being charged. This was noted on the reconciliation, but the correcting entry had not been made timely. Staff has been directed to reconcile and make all corrections monthly. The action plan was implemented April 26, 2013.

NEW HANOVER COUNTY, NORTH CAROLINA

SCHEDULE OF FINDINGS, RESPONSES, AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2013

2. Findings Related to the Audit of the Basic Financial Statements (continued):

2013-002

Finding: Violation of North Carolina General Statutes - New Hanover Room Occupancy Tax Fund was over budget.

Criteria: Management should have a system in place to reduce the likelihood that violations of General Statutes occur and go undetected.

Condition: In the current year, the New Hanover Room Occupancy Tax Fund was over budget by \$497,384.

Context: While reviewing financial statements and budget reports, we noted the condition described above.

Effect: The County was in violation of certain North Carolina General Statutes.

Cause: Lack of monitoring over budgetary compliance

Recommendation: Implement additional monitoring controls, such as reviewing monthly budget to actual reports, to identify areas where County is operating over the board adopted budget.

Contact Person: Lisa Wurtzbacher

Corrective Action/Management Response: Management concurs with the recommendation. This oversight occurred due to the additional room occupancy tax revenue for the end of the fiscal year which is received and recorded by the County on a two month lag. The County is required to forward a portion of these funds to the Tourism Development Authority and other municipalities. This budget was not amended prior to the payment to the Tourism Development Authority and other municipalities to reflect these additional revenues. Management will monitor the monthly budget to actual reports for this fund and prepare projections of room occupancy tax revenues where necessary to more closely monitor budgetary compliance and to determine if a budget amendment is needed to appropriate additional room occupancy tax revenues for additional distributions of room occupancy tax to the Tourism Development Authority and other municipalities. The action plan was implemented in November 2013.

NEW HANOVER COUNTY, NORTH CAROLINA

**SCHEDULE OF FINDINGS, RESPONSES, AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2013**

3. Findings and Questioned Costs Related to the Audit of Federal and State Awards

2013-003

Finding: Computers not logged off state system.

Criteria: In accordance with the Division of Social Services Fiscal Manual, DSS employees should control physical access to the State network terminals or personal computers that are connected to the State mainframe.

Condition: Upon surprise inspection, several unattended work stations of DSS employees were logged onto the State network without anyone attending to the work stations.

Context: While performing compliance testing related to the Division of Social Services, we noted the above condition.

Effect: Unauthorized access to the State system could be obtained due to the unattended logon to the system throughout the DSS building.

Cause: Lack of proper internal controls over data security.

Questioned Costs: The finding represents an internal control issue; therefore, no questioned costs are applicable.

Recommendation: Management should reiterate the importance of securing computer terminals every time the computer is left unattended. The County should implement control procedures to require logout of workstations where access to the State DSS system is granted. The control procedures should include random verification of logout in instances where offices are unattended.

DSS Programs Affected:

US Department of Health and Human Services

Passed Through the NC Department of Health and Human Services

Medicaid Cluster	93.778/93.777/93.775/93.720
TANF Cluster	93.558/93.714/93.716
Child Care Development Fund Cluster	93.575/93.596

Contact Person: LaVaughn Nesmith

NEW HANOVER COUNTY, NORTH CAROLINA

SCHEDULE OF FINDINGS, RESPONSES, AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2013

3. Findings and Questioned Costs Related to the Audit of Federal and State Awards (continued)

Corrective Action/Management Response: Access to the Department of Social Services work areas are already secured through access badges. The State's network and the County's system are also set to lock automatically if left idle after a short period. Staff has received notification on the importance of securing their computers when unattended. Staff has received instruction on how to secure their computers. The supervisors have been instructed to monitor staff compliance and note in their performance reviews if any non-compliance is found. This topic has also been added to all Security and Confidentiality training classes offered at the agency for all appropriate staff. The action plan was implemented on April 26, 2013.

NEW HANOVER COUNTY, NORTH CAROLINA

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS
FOR YEAR ENDED JUNE 30, 2013**

NOTE 1: GENERAL

The accompanying Schedule of Expenditures of Federal and State Awards represents the activity of all Federal and State award programs received directly or indirectly (flow through) of New Hanover County, North Carolina, primary government. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and the *State Single Audit Implementation Act*.

NOTE 2: BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal and State Awards is generally presented using the modified accrual basis of accounting, which is described in Note 1 to the County's basic financial statements.

NOTE 3: RELATIONSHIP TO BASIC FINANCIAL STATEMENTS

Substantially all Federal and State award programs are accounted for in the County's governmental funds. Direct benefit payments, which are payments paid directly to recipients by the State from Federal and State monies on behalf of the County, are disclosed as additional aid to County recipients, but are not recorded in the basic financial statements because they are not revenues and expenditures of the County.

NOTE 4: PROGRAM CLUSTERS

The following are clustered by the NC Department of Health and Human Services and are treated separately for State audit requirement purposes: Subsidized Child Care, Foster Care and Adoption, Permanency Planning and Adoption Subsidy, and Aging.

NOTE 5: SUBRECIPIENTS

Of the Federal and State expenditures presented in the schedule, the County provided Federal and State awards to subrecipients as follows:

<u>Flow-Through Agency</u>	<u>CFDA Number</u>	<u>Amount</u>
Leading Into New Communities	16.738	\$ 61,920
Leading Into New Communities	16.738	109,413
Cape Fear Public Transportation Authority	20.509	200,976
NC Dept. Crime Control & Pub Safety	97.055	95,689
