Addendum No. 2

Library Story Park
New Hanover County, North Carolina

NOTICE TO ALL BIDDERS

The following items shall take precedence over the plans and specifications of the above named project and shall become part of the contract documents. Original items of the specifications and information indicated on the drawings not herein modified, amended, voided or suspended shall remain in effect.

Project Specifications

Section 329200 / 329300

- A. Clarification / Companies providing landscape construction services are required to be licensed with The State of North Carolina under General Statute 89D for landscape construction on a single project valued at more than \$30,000.00 unless the project will be completed under a licensed General Contractor. For this project, licensure of the landscape sub-contractor is required in order to ensure a minimum quality standard.

Other License Requirements

- A. A General Contractors license is required. A Highway license is not required for the project.

Project Drawings

Sheet L100 Demolition Plan

- A. Brick wall along Third Street shall be removed. Footings for the wall can remain except where pads are required for new benches along Third Street and remainder of wall needs to be removed to a level 6" below finished grade. Below that footings can remain.
- B. Request was made for additional information on underground utilities (UG Electrical) in the area of the transformer. Information is not available at this time. Contractor is required to have utilities located and coordinate with Duke Energy prior to excavation.

ALL Drawings

- A. Constructed work shall comply with City of Wilmington requirements
