Addendum #2; JUNE 6, 2016

Clarification Regarding Department of Agriculture Material

Please delete the following reference to the Department of Agriculture: "Contractor shall also be responsible for the collection and transportation of pesticides for the Department of Agriculture."

As per instructions received from the Department of Agriculture on June 6, 2016, they will use their own contractor to pick the pesticide material up from the New Hanover County HHW Facility. Therefore, prospective bidders may delete this requirement from the bid documents.

Reminder: The deadline for receipt of bids is 12:00 noon, Thursday, June 9, 2016. Bids shall be sent in a sealed envelope clearly marked on the outside of the envelope "RFB 16-0355 HHW Recycling & Disposal Services." No emailed bids will be accepted.
