

**RFP 16-0357 DUMPSTER SERVICES Addendum #2
and
RFP 16-0358 RECYCLING COLLECTION SERVICES ADDENDUM #1
JUNE 2, 2016
ANSWERS TO BIDDER QUESTIONS**

Note: Answers to both RFPs are combined into one document, as the prospective bidder combined their questions into one submittal.

1. Is the date known when the award to the successful bidder will be announced?

Answer: It is estimated that the awards for both bids will be announced by June 22, 2016, or sooner, depending upon the amount of time required for staff evaluation.

2. Can you resend a copy of the bid addendum that was sent following the initial distribution of the bids?

Answer: Yes, that is attached for your review. However, the file sent in response to the following questions supersedes the documents included in the initial addendum.

3. Can the bid forms be distributed in Excel format?

Answer: Yes. They are attached.

4. The bids for trash and recycling services are separate, but there are recycling services on the trash bid form for the Cape Fear Regional Soccerplex. Is that intended?

Answer: This has been revised on the attached bid forms. A printed copy of the new forms is attached, along with the Excel files.

5. Will all prospective bidders receive the answers to all questions submitted properly?

Answer: The answers are posted on the County Purchasing website for all prospective bidders to view.

Reminder: The deadline for both RFP 16-0357 and 16-0358 is 3:00 p.m. EST, Thursday, June 9, 2016.

Bids may be hand delivered or mailed. Bids may not be faxed or emailed. All bids must be received by the bid deadline or they will not be accepted. Bidders shall submit one (1) original and one (1) hard copy of the bid proposals. All prices shall be in ink or typed. The outside of the sealed envelope must be marked with the bid number and title. Please submit two separate sealed envelopes, one per bid, rather than combining both in one envelope.

TOTAL COST/MONTH								
TOTAL ANNUAL COST								
Specify Address Where Material Will Be Delivered (County or Alternate Site):								

Note: Costs must be all-inclusive, with no additional fees assessed. Bid proposals may include one or both cost options - delivering the collected material to the New Hanover County Environmental Management Recycling Facility located at 3002 U.S. Highway 421 N., Wilmington, NC, 28401, or delivering the materials to an alternate, Non-County owned site . If the non-County owned site is being bid, the bidder must specify the location (name and address) of the site where the material will be delivered. Use two cost proposal sheets if submitting costs for delivering to two locations as options for consideration.
