

COVID-19 GUIDE: BOOSTER SHOTS

Why do I need the booster?

VACCINES WORK TO PREVENT SEVERE ILLNESS AND HOSPITALIZATIONS.

BOOSTER SHOTS PROVIDE EXTRA PROTECTION AGAINST COVID-19 AND ITS VARIANTS.

Am I eligible to receive the booster?

ELIGIBILITY GUIDANCE BELOW IS BASED ON THE VACCINE YOU RECEIVED:

INITIAL VACCINE	APPROVED AGES	YOU ARE ELIGIBLE...
PFIZER	Ages 12 years and older	At least 5 months after completing primary COVID-19 vaccine series
MODERNA	Adults 18 years and older	At least 5 months after completing primary COVID-19 vaccine series
JOHNSON & JOHNSON	Adults 18 years and older	At least 2 months after receiving J&J vaccine

Where can I receive the booster?
