The following items must be submitted to review your establishment:

- Completed Application
- Proof of water supply (well permit or water bill)
- Proof of sewage disposal (septic permit or bill)
- Floor plan drawn to scale of body art studio with all equipment to include autoclave, ultrasonic, sinks, tattoo room, body piercing room, and storage spaces
- Equipment specification sheets for all equipment (autoclave, ultrasonic)
- Name and specifications of disinfectant to be used
- A copy of all forms to be used

Useful Information:

- The tattoo room must be separated from other areas.
- Separate sink(s) are required for artist hand washing.
- The autoclave and ultrasonic must be located in a separate area.
- All furniture must be constructed of non-absorbent material, which can be effectively disinfected.
